Services operated by Ulsterbus and Foyle Metro (from 4 September 2017)

The attached routes and diagrams are correct as of Friday 23 June 2017 and are subject to change. All new routes will commence on Friday 1 September 2017.

The maps are not to scale and are included only to indicate routes taken.

On Monday 4 September 2017, the city services will be operated by red Metro Foyle vehicles. The attached map shows the full proposed city route network.

Pupils who use or intend to use city service buses to get to and from school should familiarise themselves with the routes and times once they become available during the summer.
