## ***Introduction***

St Columb's College is committed to ensuring that candidates are fully briefed on the examination and assessment process in place in the Examination Centre and are made aware of the required Joint Council for Qualifications (JCQ) awarding body instructions and information for candidates.

Pupils are prepared for GCSE examinations which they sit, in most subjects, at the end of Year 12. CCEA is the Examination Board currently used for most GCSE subjects in Key Stage 4 (we also use WJEC and OCR for specific qualifications). Modular GCSEs are undertaken in some subjects where students will sit a percentage of their examination in Year 11. Controlled Assessment is undertaken in a number of subjects and all pupils are provided with a calendar outlining schedules for the timing of Controlled Assessment and Modules in their various subjects.

In Sixth Form pupils are prepared for A-level and AS-level examinations, Applied AS/A-level qualifications, Cambridge Technicals and BTECs. The majority of A-level subject entries are made through CCEA. Details of other Examination Boards currently used at this level are as follows:

### A-level

AQA:	English Literature
WJEC:	Sport & Physical Education
OCR:	Cambridge Technical Level 3 Introductory Diploma in Information Technology
Pearson:	BTEC Level 3 National Extended Certificate in Business
	BTEC Level 3 National Diploma in Business ( <i>equivalent to two A-levels</i> )
	BTEC Level 3 National Diploma in Construction and the Built Environment ( <i>equivalent to two A-levels</i> )
	BTEC Level 3 National Extended Certificate in Engineering
	BTEC Level 3 National Extended Diploma in Sports Coaching and Development ( <i>equivalent to three A-levels</i> )

### ***Aim of the Candidate Examination Handbook***

The aim of this Handbook is to help you get through the examinations period by explaining the procedures and answering any questions that you may have.

Please read this booklet carefully and if you have any questions - or are still not sure about anything - then please come along to the Examinations Office, Finance Office or to Chemistry 2 and ask Mr J Broderick or Mrs A O'Kane – we are here to help you.

### ***Changes to Tier of Entry***

You will be issued with a list of examinations for which you have been entered at the time when entries are being made. You must ensure that all your entries are correct at that stage.

Should your teacher feel that it would be better for you to change tier for a particular examination (from Higher to Foundation or vice versa) your parent(s)/guardian(s)/carer(s) will be notified of this recommendation by letter.

**PLEASE NOTE:** No candidates will be permitted to change a Tier of Entry on the day the examination takes place.

### ***Examination timetables***

Your individual examination timetable is **IMPORTANT** and should be kept safely for reference purposes.

Please check your personal details. Your legal name - as recorded on the school's records - will appear on your certificates. Contact Mrs O'Kane or Mr Broderick if something is incorrect.

Please read your timetable **very carefully** and make sure you know **when** and **where** your examinations are going to take place. Check **your seat number** (shown on your timetable) before each examination, as you will not have the same seat for every examination.

Your timetable is unique to **YOU**. Please familiarise yourself with the location and seat in your examination centre in advance. All students **MUST** refer to their individual timetables for information on examination times and venues. **DO NOT** ask your friends where the examination is - theirs may be somewhere different! Your timetable will tell you the **date** and **time** of each of your examinations.

The Centre Number for St Columb's College is **71865**.

Your Examination Number is on your Smartcard and has four digits. It will **NEVER** change for external examinations.

Display your examination timetable somewhere obvious at home so that you and your family can see it and so that you are all aware when you should be at school taking an examination.

**If you lose your timetable, you will be able to get a replacement from Mrs O'Kane or Mr Broderick.**

***What to do if you identify that you have two or more examination papers timetabled at the same time (an examination clash)***

If you have a clash of examinations, arrangements will be made for you to take these subjects one after the other. If the total time is more than three hours, the examinations will be split between the morning and afternoon sessions. If this happens, an invigilator will supervise you over lunchtime (you will be in 'quarantine'), **so you will need to bring a packed lunch and a drink with you**. Any clashes **SHOULD** have been picked up and resolved before you are given your individual timetable. You will be informed in advance if you have any quarantine time. You **WILL NOT** be allowed to communicate with anyone else during quarantine and you **WILL NOT** be allowed to use your mobile phone (or any other electronic communication device) during quarantine.

You will be informed of any special arrangements involving clashes before your examinations.

If you notice a clash on your individual timetable which has not been resolved, you must tell Mrs O'Kane or Mr Broderick **IMMEDIATELY**.

### ***Access arrangements***

Candidates must meet JCQ regulations to be entitled to access arrangements (extra time/reader/scribe). Students meeting these regulations will be informed by Mrs S Tohill (Assistant Learning Support Co-ordinator) prior to any examinations taken.

### ***Where you will take your examinations***

Most GCSE, AS and A2 examinations will take place in our Sports Centre, Senior PE Hall and/or Junior Study. You may have examinations in other venues; these will be printed on your individual

timetable so **please check that carefully** before the particular examinations take place. Please arrive at school **AT LEAST 20 MINUTES** before the start time shown on your timetable so that you are not in a rush before your examination begins. You will be told when you are allowed to enter the examination centre and you **MUST** sit at the desk that has been allocated to you, unless the invigilator instructs you otherwise. If you do not sit in the correct seat, the invigilator could mark you as absent or allocate you the wrong tier of paper. You are **NOT** allowed to enter the examination centre before the examination time.

### *What time your examinations will start and finish*

All public examinations start at **9.15 a.m.** for morning papers and **1.30 p.m.** for afternoon papers. Any other changes of start time will be noted on your personalised examination timetable.

Please make sure you check your timetable carefully. You should aim to be at school **AT LEAST 20 MINUTES** before the start of an examination. If for any reason you are going to be late and will miss the start of the examination, you **MUST** contact the school office (028 71 285000). You will then be told how long you have left before you will be refused entry to the examination. Candidates will only be allowed into the examination centre after 20 minutes have passed **in exceptional circumstances**. Please also be aware that if you are late for your examination, the Examination Board may not always accept your paper and you may not get the full time allowance for sitting the examination.

As mentioned above, no candidates will be permitted to change a Tier of Entry on the day the examination takes place.

### *Supervision during your examinations*

You must be **SILENT AT ALL TIMES** when you are in the examination centre. This includes when you enter and leave the centre. If you need assistance, put your hand up clearly and wait for an invigilator to attend to you; **DO NOT** turn around and try to communicate with other students. Disruptive behaviour will be construed as malpractice and will be reported to the Examination Board. Once you have entered the examination centre, you will have to be escorted at all times if you need to leave for any reason.

### *How your identity is confirmed in the examination centre*

Your Smartcard should be placed on your desk for identity purposes. If you are a consortium/external student taking an examination at St Columb's College, please bring in your school ID/passport/driving licence. All such IDs must have a clear and recent photograph.

### *What equipment you need to bring to your examinations*

You must provide all your own equipment; **no equipment will be available on the day**. You should bring your equipment in a transparent pencil case. See below re the use of calculators.

You may use a calculator unless you are told otherwise (see below).

If you wish to highlight key parts of the text on the examination paper, you will need to bring a highlighter pen with you. **Highlighter pens must not be used in answer booklets, but are allowed to highlight parts of the printed questions. You are NOT ALLOWED to use correcting fluid, pens or the like in any answer booklets.**

## ***Using calculators***

You must be aware of the JCQ awarding body instructions regarding the use of calculators in your examinations which state:

*10.1. Candidates may use a calculator in an examination unless this is prohibited by the awarding body's specification.*

*The instructions on the question paper will say whether calculators are allowed or not. If the instructions do not include such a statement, calculators should be treated as standard equipment and may be used by candidates.*

*Where the use of a calculator is allowed, candidates are responsible for making sure that their calculators meet the awarding bodies' regulations.*

*10.2. The instructions set out in this section apply to all examinations unless stated otherwise in an awarding body's specification.*

*10.3. Candidates must be told these regulations beforehand and be familiar with the 'Information for candidates' documents.*

*Calculators must be:*

- *of a size suitable for use on the desk;*
- *either battery or solar powered;*
- *free of lids, cases and covers which have printed instructions or formulae.*

*Calculators must not:*

- *be designed or adapted to offer any of these facilities:*
  - *language translators;*
  - *symbolic algebra manipulation;*
  - *symbolic differentiation or integration;*
  - *communication with other machines or the internet;*
- *be borrowed from another candidate during an examination for any reason;*
- *have retrievable information stored in them. This includes:*
  - *databanks;*
  - *dictionaries;*
  - *mathematical formulae;*
  - *text.*

*The candidate is responsible for the following:*

- *the calculator's power supply;*
- *the calculator's working condition;*
- *clearing anything stored in the calculator*

*10.4. An invigilator may give a candidate a replacement calculator.*

*10.5. Where access is permitted to a calculator for part of an examination, it is acceptable for candidates to place their calculators on the floor under their desks in sight of the invigilator(s) for the non-calculator portion of the examination.*

[Taken from JCQ *Instructions for Conducting Examinations, 2022-2023*]

### ***What you should not bring into the examination centre***

Mobile phones, pagers, all types of watches, organisers, music players, headphones and any type of electronic communication or storage device are not allowed in the examination centre. The Examination Boards and St Columb's College do not allow you to bring any of these items into any examination centre or into any room being used for 'quarantine', either before or after an examination. You are **strongly advised** not to bring any such devices with you to school when you have an examination, as St Columb's College cannot take any responsibility if they are lost or damaged.

It is **not permitted** to bring any revision notes or other paper into the examination centre.

If a mobile phone, watch, pager or other electronic communication device is found in your possession during an examination or quarantine, **EVEN IF IT IS TURNED OFF**, the device will be taken from you and a report will be made to the appropriate Examination Board. **No exceptions will be made.**

**MINIMUM** penalties imposed by the Examination Boards are as follows (without exception):

- **Device found on you and turned ON: disqualification from entire subject award.**
- **Device found on you and turned OFF: disqualification from that component.**

### ***Food and drink in examination centres***

You **are allowed** to take into the examination centre a drink of water in a **clear plastic bottle** with **the label removed**. Chewing gum and any other food or drinks are not allowed. You will not be able to leave the examination centre to refill a bottle of water, and invigilators cannot leave to do this for you, so please make sure you have enough for the whole examination time. Drinks brought into any computer rooms must be left at the front of the room with the invigilator.

### ***What you should wear for your examinations***

Full school uniform must be worn at all times when taking examinations.

### ***What to do if you are ill on the day of an examination***

If you are feeling unwell before your examination, please inform Mrs O'Kane or your Year Head.

If you feel ill during an examination, put your hand up and tell the invigilator who will get assistance for you. After the examination, and before you leave school on the day of the examination, please let Mrs O'Kane or Mr F Madden know. They need to know as we may be able to apply to the Examination Board on your behalf for special consideration. In the instance of illness this needs to be done on the day of the examination.

### ***What happens if you are absent from an examination***

If you are unable to attend due to sickness, a medical note from your doctor **MUST** be given to Mr Madden or Mrs O'Kane; it must be specific about dates and the exact reasons about why you could not sit your examination. A parental note or a letter from the school **WILL NOT** be accepted as evidence for special considerations by the Examination Board(s). Even with a medical note, the Examination Boards can refuse to issue you a final grade.

### ***What happens if you suffer a bereavement or other family or personal circumstance prior to or in the course of your examinations***

If you suffer from any personal or other circumstance which may have an impact on your performance in your examinations, please inform Mrs O’Kane or Mr Madden of the situation as soon as possible. We may be able to apply to the Examination Board(s) on your behalf for Special Consideration.

### ***What will happen in the event of an emergency in the examination centre***

In the event of an emergency, invigilators at St Columb’s College have been informed that they must take the following action (in accordance with JCQ *Instructions for Conducting Examinations* Regulation 25: Emergencies):

- Candidates must remain in silence at all times;
- Candidates will be instructed to stop writing (put down their pens);
- Examinations paper will be closed and left on the desk;
- The attendance register will be collected to ensure that all candidates are present;
- Candidates will be instructed to leave all question papers and answer booklets on their desks;
- Candidates will be instructed to evacuate the examination centre in line with the normal emergency instructions.

### ***Suspected malpractice***

All Examination Boards have very strict rules and regulations. They make it clear that:

1. Their official examination sessions must be run under strictly fair conditions, with no form of deception. This rule severely excludes any form of communication between candidates during an examination, as well as any other practice that could conceivably be seen as an attempt to deceive.
2. Anyone attempting unfair practices can expect cancellation of their examination entries and the charges that this will incur, as well as possible exclusion from GCSE/AS and A2-level exams for a period of up to five years.
3. If you are found to be involved in any malpractice during an examination, you **WILL** be reported to the relevant Examination Board.

### ***Social media***

Sharing ideas and experiences about studying and revising can be helpful but there are limits to the amount of information you can share and you need to be careful not to break the rules. If you are in any doubt about what you can and cannot discuss online regarding your examinations, it is always best to check with your teacher.

If you receive what is or what looks to be assessment-related information through social media, or any other means, you **MUST** tell your teacher or another member of staff. You must show them what you have received. They will report the matter to the Examination Board and it will be investigated.

## **Prayer Before Examinations**

Loving God  
be with me now,  
as I prepare to sit my exams.  
Thank you for the many talents, gifts and opportunities you have given me.  
Calm my nerves and anxiety, help me  
to remember all that I have studied,  
to express it clearly and to answer the questions  
the very best that I can.  
Holy Spirit remain with me during my exam  
- and always.  
Through Christ Our Lord. Amen.

St Columba, pray for us.
